Community Outreach

This year the executive committee voted to forgo the traditional executive committee holiday dinner and instead the Executive Committee hosted a member appreciation dinner on January 18, 2019. A small-toy donation for the Children's Hospital was collected at the door for admission. Attendance was not as strong as anticipated so we *will continue the toy collection through the June 2019 meeting* (Awards & Recognition Meeting). If you want to make a toy donation but are unable to attend a meeting contact any executive committee member to arrange drop-off or bring to the next meeting.

During the member appreciation event a survey was distributed to attendees for assessing where we are as a chapter. Results can be found on the chapter website. Thank you for assisting to keep our chapter in a forward moving path.

Thank you,

Cynthia Brown, CSP
President-Elect
Community Service Chair
