## Want a Break? Take a Break with the Board

As part of the ASSP Board Connection Series, this “Take a Break with the Board” live event will give you another opportunity to virtually engage with your elected Society leaders. The theme of this 30-minute event is “gratitude.” Join the Board of Directors and your safety peers to share and reflect on what we are most grateful for in the days leading up to Thanksgiving.

Reach out to Cindy Brown at [president@louisville.assp.org](mailto:president@louisville.assp.org) with your nomination. Please include the nominee’s name, contact information, and brief details on their hardship. ## Spotlight on Community

**Louisville** — Construction is underway on the first Habitat for Humanity house in the Sheppard Square development. Leaders blessed the ground at the build site in the Smoketown neighborhood. This is a woman build sponsored build, which means all the volunteers are women. Advance Ready Mix's Camila Schroeder covered the expenses of concrete to help build this home, as well as gave all female employees a paid day to help build.

## Get Involved

The Festival of Trees & Lights, presented by Republic Bank, has been a kickoff to the holiday season in our community for more than a quarter of a century. The centerpiece of the festival is the display of hundreds of decorated holiday trees, wreaths and greenery which is online this year. Be a part of this incredible event by becoming a designer, volunteer, or sponsor.
